# PROJECT BUILD-A-FORT

## JUNE BULLETIN

---

Welcome to June's Project Build-A-Fort Bulletin! Every effort will be made to keep all stakeholders up-to-date on the status of the building expansion/renovation project. These bulletins will be posted at the CDC, placed on our website ([www.cdcfsj.ca](http://www.cdcfsj.ca)), and circulated appropriately.

### June Update

- Structural Steel package will be awarded and ordered.
- Catch basins, manholes, fire hydrant and related piping will be installed
- Gravel will be continuing inside the foundation
- Below floor slab electrical and mechanical will begin installation
- Earth replacement in parking lot will begin

### Things and Activities You Might See

- Gravel trucks hauling in large truckloads of fill, gravel, and soil.
- Heavy equipment working on site.

### Expectations for Next Month – July

- Installation of steel will begin in mid July and the shape of the building will be visible.
- Removal of exterior siding to be prepared for new 'hardy-plank' siding and windows.
